

THE DUST BUNNY KING

DUST BUILDS KINGDOMS. UNTIL SOMEONE CLEANS IT UP.

The contractors packed up at four. His kingdom was fully staffed by five.

POOF!

Subjects gathered under every bed, behind every fresh baseboard, inside every vent.

UNDER EVERY BED

BEHIND EVERY FRESH BASEBOARD

INSIDE EVERY VENT

Sweep once and the court simply reassembled overnight.

SAME DUST DIFFERENT DAY.

Post-construction dust is fine enough to hide in the paint and the air alike.

IN THE PAINT

IN THE AIR

WHUMP!

HEPA vacuuming, wet wiping and a top-down pass emptied the throne room.

CLEAR!

He crowned himself the day the drywall dust settled.

HOW IT ENDS

Post-construction cleanup ends the dynasty — including the fine dust a household vacuum only redistributes.

SAME CITY CLEANER TOMORROW.
